Mayor Pro Tem Franklin and staff members of the City of Deming, New Mexico held a workshop on December 9, 2013 at 4:00 p.m. to discuss items of the City Council Agenda in preparation for the regularly scheduled meeting, held at 6:00 p.m. the same day. The following items of the agenda were discussed:

Consent Agenda: Mr. McInturff suggested that item I. Minutes-Commission Meeting of 11/13/13, item a. recommendation regarding Phase I of the Pocket Park, be brought back to Council once the final scope is more clearly defined.

Ratification of Proclamation to Honor Mayor Silva: Mayor Pro Tem Franklin will present this item.

Mr. Sera reminded both Mayor Pro Tem Franklin and Mr. McInturff that the first item on the agenda would be the opening of the CDBG Public Hearing. Mr. Sera stated that there are several talking points and he would cover that agenda.

Resolution to Approve a Budget Adjustment for FY14: Mr. McInturff stated that this budget adjustment was necessitated by two grants received by the Senior Citizens Center totaling the amount of \$64,865.00, which were not mentioned to the City prior to the preparation of the FY14 budget. Mr. Valentine will present this item to Council.

Resolution to Approve the 2014 Municipal Election: Mr. McInturff will present this item to Council. He pointed out the Declaration of Candidacy date and the closing of the voter registration by the County Clerk. He stated the elective offices and the polling places for the election. He also noted the pertinent dates for the 2014 Municipal Election.

Approval for Disposal of Surplus Fixed Assets: Mr. McInturff stated that the City would like to put a surplus vehicle in the auction Luna County will conduct on December 14, 2013.

The City's Fix Asset Disposal Committee would have to sign the memo authorizing the disposal of the fixed asset.

Ratification of Proclamation-Keeping the Lights On Afterschool: Mr. McInturff stated that this item will be read into record by Mayor Pro Tem Franklin. It was originally signed and presented in October.

Ratification of Labor Management Relations Board Appointments: Mr. McInturff stated that management would like to recommend the appointment of Mr. Jarod Hofacket as management's representative; and labor's representative would be Mr. Edward Apodaca to the Labor Management Relations Board Appointments. Mr. McInturff stated that the next step would be for both of these gentlemen to get together and select a third member to the board. If they cannot come to a decision, then the Mayor can appoint the third member according to the ordinance.

Mayor's Appointment of Lloyd Valentine III as Procurement Officer: Mr. McInturff stated that the City must designate a procurement officer. Therefore, the Mayor has appointed Mr. Valentine as Procurement Officer. Mr. McInturff will present this item to Council.

Mayor's Appointment to the Commission on Aging Board: Mr. McInturff will present the appointment of Linda E. Franklin as the City's third member to the Commission on Aging Board on behalf of the Mayor. The term is for three years and will expire June 30, 2016.

Mayor's Appointments to Tourism Development Committee: Mr. McInturff will present, on behalf of the Mayor, the appointments of Diana Novelo and Terry Meyers to the Tourism Development Committee. The terms are for two years and will expire March 2014, as these appointees are replacing members who have resigned.

Approval of Land Sale of Lot 12, Block 79, Boles Addition: Mr. McInturff will present this item to Council. This item is in draft form, but very close to its final form. He stated that management would like to ask Council for authority to negotiate the final draft form of this agreement. Mr. McInturff described the area and purpose for which Bencor will be purchasing. Therefore, management will be asking for authorization to negotiate the final draft and grant authority for the Mayor to execute the sales agreement. Mr. McInturff stated the price of the lot is \$22,000, and that the City attorney, Mr. Foy, has reviewed the final agreement.

Approval of Corre Caminos Joint Powers Agreement: Mr. McInturff will present this item to Council. He stated that management will be requesting authority to negotiate the final draft and that the Mayor be granted the authority to execute the final agreement. He noted that City of Deming's obligation for this year would be \$55,000, which has already been budgeted. He also noted that Grant County will receive and \$30,000 credit to serve as fiscal agent and managing the day-to-day operations of Corre Caminos.

Authorization to Rescind Bid #14-07 Pine St./Spruce St. Realignment: Mr. Massengill will present this item to Council. He stated that the NMDOT did an independent review of the documents and found some minor issues with the bids and has rejected all five of the

bids. Therefore, causing the City to rescind Bid#14-07. He stated that some of these issues were with the forms submitted for the Disadvantaged Business Enterprise and that the forms did not meet DOT standards. Mr. Massengill also stated that the awarded bidder was found to be ineligible by the NMDOT due to them not being on the NMDOT pre-qualified contractor list even though the contractor is on the State of New Mexico's vendor list.

Mr. Massengill stated that when the recommendation to award to low bidder is made, they will be sure to make that contingent upon NMDOT approval.

Mr. Sera stated that when these bids are awarded, the City includes a clause stated that the City has the right to waive technicalities. However, the NMDOT will not accept that and rejected this bid.

Adjourn Meeting: With no further business to discuss, the workshop was adjourned at 4:29 p.m.

1. Consent Agenda

Mr. McInturff stated that in item I. Minutes-Parks Commission Meeting of 11/13/13, the recommendation made to approve Phase I of the Pocket Park improvement by MainStreet is premature due to the scope not being finalized. He stated that the artwork has not been chosen and they aren't sure they are going to be receiving the grant from PNM, therefore he recommends tabling this recommendation until a finalized scope is presented.

Mr. Sera stated that current funding received by MainStreet for this project comes from \$2,500 from the historical and \$500 from Keep Luna County Beautiful. They are currently working with Jesse Kriegel's high school art class, on a design for the mural.

Ms. Stevens, Executive Director for MainStreet, stated that the drawing is an early rendering of what the park could look like. She stated that they have contacted Mr. Kriegel to get ideas for the mural. The rendering is far from what MainStreet wants the mural to be.

Councilor Sanchez asked about something he read in the minutes which stated that the funding received would be expiring soon. He asked Ms. Stevens how soon. She stated that it would have to be used by the end of the first quarter of 2014.

Councilor Shattuck motioned to approve the Consent Agenda with the tabling of item I., the Parks Commission Meeting Minutes pertaining to Phase I of Pocket Park. Councilor Sanchez seconded the motion, motion carried unanimously.

2. Public Forum

Councilor Shattuck motioned to ratify the proclamation to honor Mayor Silva. Councilor Sanchez seconded the motion, motion carried unanimously.

4. Resolution to Approve a Budget Adjustment for FY14

Mr. Valentine presented this item to Council. He stated that the reason for the budget adjustment was due to the Senior Citizen Center receiving two grants that the City was not made aware of back when the budget was being prepared. Mr. Valentine stated that the grants totaled \$64,685 and read the resolution into record.

Councilor Milo motioned to approve a budget adjustment for FY14, as presented. Councilor Sanchez seconded the motion, motion carried unanimously.

5. Resolution to Approve the 2014 Municipal Election

Mr. McInturff presented the resolution to authorize the 2014 Municipal Election to take place on March 4, 2014. He stated the three offices open for election and the terms: Mayor for a four-year term, District #1 Councilmember for a four-year term, and District #4 Councilmember for a four-year term.

Mr. McInturff noted the locations designated for polling places. He also mentioned that absentee voting will open on January 28, 2014 and close on February 28, 2014. He stated that early voting will take place from February 12, 2014 to February 28, 2014.

Mr. McInturff emphasized that those desiring to register to vote must do so by registering with the County Clerk by January 7, 2014. This deadline is almost a month earlier due to the DPS Bond Election taking place on February 4, 2014. He also mentioned the Declaration of Candidacy date of January 7, 2014 between the hours of 8:00 a.m. to 5:00 p.m., is the only date a candidate can declare their candidacy.

Mayor Pro Tem Franklin asked Council if they had any questions. There were none.

Councilor Shattuck made a motion to approve the resolution authorizing the 2014 Municipal Election. Councilor Milo seconded the motion, motion carried unanimously.

6. Approval for Disposal of Surplus Fixed Assets

Mr. McInturff presented this item to Council and noted the attached inventory change in which the 1997 Blazer was replaced with a van. Mr. McInturff stated that they would like to approve the Blazer as surplus fixed property in order to include it in the auction to be held on December 14, 2013, the day Luna County will be conducting their auction. The City would hope to utilize that event to auction this item. The letter signed by the committee of Councilor Sanchez, Councilor Milo, and Councilor Shattuck to declare this item as surplus is also attached.

Councilor Milo motioned to approve the disposal the surplus fixed assets as presented. Councilor Sanchez seconded the motion, motion carried unanimously.

7. Ratification of Proclamation-Keeping the Lights On Afterschool

Mayor Pro Tem Franklin read the proclamation into record. She explained that this proclamation was presented on October 24, 2013 and entertained a motion from Council.

Councilor Shattuck motioned to ratify the proclamation for Keeping the Lights on Afterschool. Councilor Milo seconded the motion, motion carried unanimously.

8. Ratification of Labor Management Relations Board Appointments

Mr. McInturff presented this item to Council. He stated that the Deming Firefighter's and Deming Police Association have jointly nominated Edward Apodaca as their representative to the Labor Management Relations Board. Additionally, Mr. McInturff recommended that Jarod Hofacket be management's representative on the Labor Management Relations Board. He stated that if both these appointments are approved, the two representatives will get together to pick a third member that is acceptable to both sides. The next step will be to add a third neutral member to the Labor Management Relations Board.

Councilor Milo motioned for the ratification of Edward Apodaca as the labor side representative, and the approval of the appointment of Jarod Hofacket as management's representative to the Labor Management Relations Board. Councilor Shattuck seconded the motion, motion carried unanimously.

9. Mayor's Appointment of Lloyd R. Valentine III as Procurement Officer

Mr. McInturff stated that the State Statute requires that the City appoint a procurement officer. Therefore, the Mayor's appointment is Lloyd R. Valentine III for this position.

Councilor Shattuck motioned to approve the Mayor's appointment of Lloyd R. Valentine III as procurement officer. Councilor Milo seconded the motion, motion carried unanimously.

10. Mayor's Appointment to the Commission on Aging Board

Mr. McInturff presented this item to Council. He stated that the Commission on Aging Board is comprised of 9 members; 3 of those appointments are from the City. He explained that the City

has a substantial involvement with the Commission on Aging, as the City owns the building in which the Senior Citizen Center resides. The City also funds the Center annually and serves as their fiscal agent for the state grants. He also stated that the Mayor felt that with this level of involvement it would be appropriate that a member of City Council serve on that board. Therefore the Mayor has appointed Linda E. Franklin to the Commission on Aging Board. Mr. McInturff stated that her term will expire June 30, 2016.

Councilor Shattuck motioned to approve the Mayor's appointment of Linda E. Franklin to the Commission on Aging Board. Councilor Milo seconded the motion, motion carried unanimously.

11. Mayor's Appointments to Tourism Development Committee

Mr. McInturff presented this item to Council. The noted that there are two appointments that will be presented. The first one is that of Diana Novelo; the second is Terry Meyers. Both nominees are from a tourist related business. Both appointments will expire March 2014.

Councilor Milo motioned to approve both appointments of Diana Novelo and Terry Meyers to the Tourist Development Committee. Councilor Shattuck seconded the motion, motion carried unanimously.

12. Approval of Land Sale of Lot 12, Block 79, Boles Addition

Mr. McInturff presented this item to Council. He stated that what is happening is that Bencor is purchasing the lot to the north of the Sanchez brother's property. He explained that Bencor will purchase the lot from the City for \$22,000 and convey the property to the Sanchez brothers so that the two storage containers that are on the Sanchez property can be unstacked and fenced in on this lot. Mr. McInturff stated that since the purchase price is under \$25,000, the sale would not be subject to New Mexico Statute 3-54-1. Mr. McInturff stated that the agreement is close to final form and Mr. Foy, the City attorney, has participated in its review. Staff is recommending that Council approve this draft in substantial form, authorize staff to negotiate the final draft and authorize the Mayor to execute the final draft upon legal review.

Councilor Shattuck has recused himself from voting on this item.

Councilor Sanchez asked where the alley would end. Mr. McInturff stated that the alley would end at the north end of lot 12 and there would still be access for utilities.

Councilor Milo asked if the trash dumpsters still be in the alley. Mr. McInturff stated that they would remain in the alley.

Councilor Sanchez motioned to approve the land sale of Lot 12, Block 79, Boles Addition to Bencor, Inc. with authorization for staff to negotiate the final draft of the agreement and with authorization for the Mayor to execute the final draft after legal review. Councilor Milo seconded the motion, motion carried unanimously with the following voting aye, Councilor Sanchez, Councilor Milo, and Mayor Pro Tem Franklin.

13. Approval of Corre Caminos Joint Powers Agreement

Mr. McInturff presented this item to Council. He stated that the Rural Transit District (RTD) has been undergoing some changes as they wanted to become their own entity. He stated that since then, the RTD found it to be more beneficial to remain under the auspices of Grant County, as there would be less overhead, and less expense to the members of the RTD; therefore they have drafted the agreement presented tonight. Mr. McInturff stated that there are a couple items that management is not in agreement with and after being reviewed by Mr. Foy; he agreed that there would need to be further negotiation. Mr. McInturff stated that management is asking Council for authorization to proceed with further negotiations of the agreement and to advise on what action would need to be taken once the final agreement is negotiated.

Councilor Milo stated that he would like the final draft to be brought back to Council to review prior to the JPA being signed.

Councilor Shattuck made a motion to give management the authority to negotiate the amendment to the Joint Powers Agreement of Corre Caminos and that it is brought back to Council for final approval. Councilor Milo seconded the motion, motion carried unanimously.

14. Authorization to Rescind Bid #14-07 Pine St./Spruce St. Realignment

Mr. Massengill presented this item to Council. He reminded Council that this bid was awarded to the lowest bidder back in the November 12, 2013 City Council Meeting. Due to the federal funding involved in this bid, the NMDOT conducted an independent review of the bids packages and they have rejected all five bidders. NMDOT stated that the awarded low bidder was not on the NMDOT Prequalified bid list although they are a qualified New Mexico State vendor. Mr. Massengill stated that the other four bidders were rejected because they did not execute their Disadvantage Business Enterprise forms correctly; all had something wrong according to the NMDOT. Therefore all bids have been rejected, and the City has to rebid the project and rescind the low bidder award at the last meeting.

Councilor Milo asked if all bidders have been notified of the rescinding of the bid. Mr. Massengill answered that they had been notified about the discrepancy and that the City had worked to salvage this, but were not able to do so.

Councilor Sanchez asked if this would become a common practice whenever we ask for bids on projects that are tied to state roads or federal funding. Mr. Massengill stated that whenever there are federal funds involved, the paperwork is more complex. He also stated that in the future, whenever a bid is recommended to Council, that staff include in the recommendation that the award be granted contingent upon the approval of the NMDOT.

Mr. Foy asked if the NMDOT could ratify the bids prior to them being presented to Council. Mr. McInturff stated that the only issue is that no one is aware of the bidders prior to the bid opening date. So, there is no way of knowing what forms are included in the bid ahead of time.

Mr. Sera stated that the language in the bid packet was undergoing rewording to include the requirements by the NMDOT. Mr. Massengill stated that all five bidders were seasoned contractors and that in the future the areas of shortfall will be identified in the bid packet so that this will not happen again. Mr. Massengill reiterated that in the future staff would like to make the recommendation to award to the low bidder contingent upon the approval of the NMDOT.

Councilor Shattuck motioned to rescind Bid #14-07 Pine Street/Spruce Street Realignment. Councilor Sanchez seconded the motion, motion carried unanimously.

15. Adjourn Meeting: With no further business to discuss, Councilor Sanchez motioned to adjourn the meeting. Councilor Milo seconded the motion, motion carried. Meeting was adjourned at 7:21 p.m.

Proclamation

Keeping the Lights On Afterschool

Whereas, the citizens of Deming and Luna County, New Mexico, stand firmly committed to quality afterschool programs and opportunities because they:

- Provide safe, challenging, engaging and fun learning experiences to help children and youth develop their social, emotional, physical, cultural and academic skills.
- Support working families by ensuring their children are safe and productive after the regular school day ends.
- Build stronger communities by involving our students, parents, business leaders and adult volunteers in the lives of our young people, thereby promoting positive relationships among children, youth, families and adults.
- Engage families, schools and diverse community partners in advancing the welfare of our children

Whereas, The Afterschool Program has provided significant leadership in the area of community involvement in the education and well-being of our youth, grounded in the principle that quality afterschool programs are key to helping our children become successful adults.

Whereas, *Lights on Afterschool*, a national celebration of afterschool programs on **October 24, 2013** promotes the critical importance of quality afterschool programs in the lives of children, their families and their communities.

Whereas, more than 28 million children in the U.S. have parents who work outside the home, and 15.1 million children have no place to go after school.

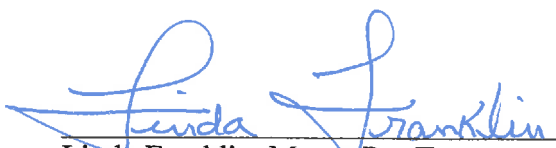

Whereas, many afterschool programs across the country are facing funding shortfalls so severe that they are being forced to close their doors and turn off their lights.

THEREFORE BE IT RESOLVED that I, Linda Franklin, do hereby proclaim October 24, 2013 as "*Lights On Afterschool Day*," AND BE IT FURTHER RESOLVED that this Mayor Pro Tem enthusiastically endorses *Lights on Afterschool* and commits our community to engage in innovative afterschool programs and activities that ensure the lights stay on and doors stay open for all children after school.

Signed this 24th day of October, 2013 in Deming, New Mexico.

Richard F. McInturff, Clerk

Linda Franklin, Mayor Pro Tem
