CITY SECTION 3 PLAN

The City of Deming is committed to comply with Section 3 of the Housing and Urban Development Act of 1968. This Act encourages the use of small local businesses and the hiring of low-income residents of the community.

The City of Deming has appointed the City Administrator as the Section 3 Coordinator, to advise and assist key personnel and staff on Section 3, to officially serve as focal point on Section 3 complaints, as the on-site monitoring of prime contractors and sub-contractors to ensure the implementation and enforcement of their Section 3 plans. The approval or disapproval of the Section 3 plan is the ultimate responsibility of the City. Documentation of City efforts will be retained on file for monitoring by the State.

Therefore, the City of Deming shall:

Section 3 requires that to the greatest extent feasible, opportunities for training and employment be given lower residents of the project areas and contracts for work in connection with the project be awarded to business concerns residing in the project area.
- (b) The parties to this contract will comply with the provision as said Section 3 and the regulation issued pursuant thereto by the Secretary of Housing and Urban Development set forth in 24 CFR and all applicable rules and orders of the Department issued there under prior to the execution of this contract. The parties to this contract certify and agree that they are under no contractual or other disability, which would prevent them from complying with these requirements.
- (c) The contractor will send to each labor organization or representative of workers with which he has a collective bargaining agreement or other contract or understanding, if any, a notice advising the said labor organization or workers representative of his commitments under this Section 3 clause and shall post copies of the notice in conspicuous places available to employees and applicants for employment or training.

The contractor will not subcontract with any subcontractor where it has notice or knowledge that the latter has been found in violation of regulations under 24 CFR 135, and will not let any subcontract unless the subcontractor has first provided it with the requirements of these regulations.
- (e) Compliance with the provisions of Section 3, the regulations set forth in 24 CFR 135, and all applicable rules and orders of the Department, issued there under prior to the execution of the

contract, shall be a condition of the Federal financial assistance provided to the project, binding upon the applicant or recipient for such assistance, its successors, and assigns. Failure to fulfill these requirements shall subject the applicant or recipient, its contractors and subcontractors, its successors, and assigns to those sanctions specified by the grant or loan agreement or contract through which Federal assistance is provided, and to such sanctions as are specified by 24 CFR 135.

2. Assist in the identifying and locating of temporary relocation facilities in order to house families whose displacement will be of short duration, so that they can move back to their neighborhood after rehabilitation or new construction.
3. Evaluate housing codes and rehabilitation standards in reinvestment areas to prevent the placing of undue financial burdens on long established owners or on tenants of multi-family buildings.
4. Counsel and advise homeowners and renters to understand the range of assistance that may be available to meet and protect their housing rights and interests.
5. In cooperation with neighborhood organizations, continuously review neighborhood development trends, identify displacement problems, and identify individuals facing displacement who need assistance.

B. Actions to Assist Displaced Persons to Remain in Their Present Neighborhoods:

1. Provide lower-income housing in the neighborhood through HUD housing programs; purchase units as is; rehabilitate vacant units; or construct housing units.

2. Give priority in assisted housing units in the neighborhood to area residents facing displacement.
3. Target Section 8 existing programs and certificates to households being displaced, and recruit area landlords to participate in the program.
4. Provide counseling and referral services to assist displaced to find alternate housing in the neighborhood.
5. Work with area landlords and real estate brokers to locate vacancies of households facing displacement.

C. Actions to Otherwise Mitigate Adverse Effects of Displacement:

1. Use of public funds, such as CDBG, to pay moving costs and provide relocation payments or, to extent permissible by local or state law require private developers to provide compensation to persons displaced by development activities.
2. Give displaced priority in obtaining subsidized housing.
3. Provide counseling and referral service to assist displaced to locate elsewhere in the community.
